Countertop Elegance

MILLROCK's Ambient Counter Display Case provides top notch display for cookies, biscotti, bagels, muffins, scones, non-dairy cakes, and other non-refrigerated snacks. The Ambient Counter Increases your profit ability boosting average ticket sales with impulse items right up front on your existing counter.

Small but powerful, the Millrock Ambient Counter is packed with quality features usually found only in full-size showcases.

Three display surfaces maximize capacity and assure exceptional product presentation. Tempered glass surround gives customers unobstructed view to the selection. Lights on every shelf assure all products are well lit. Sliding rear doors give ample access for operators to service customers and hinged front glass makes cleaning easy to keep your case looking sharp. Durable stainless steel top surface provides additional valuable display area. The base is laminated inside and out in the color and pattern of your choice at no extra cost for a custom look to match your store's interior design. Choice of three sizes gives you additional options for store layout and capacity. Unlike full-size cases, adding impulse countertop sales to your store is easy...just set the MILLROCK Ambient Counter on your front counter and plug it in. Start maximizing your opportunities for non-refrigerated food sales with this unique Ambient Counter case.
