PLEASE SERVE YOURSELF...

...three words that boost impulse sales and spur rapid transactions. And nothing says it as well as MILLROCK's Grab 'N Go. The Grab N' Go features classic styling, quiet air-curtain refrigeration, and low height for clear line-of-sight anywhere in your store. With stainless steel shelves, grill, top deck and base it's also built to last and easy to maintain. Light rails on every shelf highlight your fruit, salads, sandwiches, juices, pastries and many other prepared foods. Tempered glass side panels assure your customers have clear view for easy selection. And you can have it your way... Choose the exterior finish from any standard color and pattern laminate to match your unique décor, no extra cost. Or biggie-size your case with four lengths to choose up to 6 feet wide. The Grab N' Go is ready-to-go, with oversized self contained environmentally friendly refrigeration, 8 foot cord (110v), and roll-down night screen. Just plug it in and start selling.

If you haven't thought about adding a Grab N' Go case to serve your customers' need to eat on the go, you're missing out on sales for lunch, snacks and other impulse dining. And if you are already on it, then the Millrock Grab N' Go should be your first choice.
