Drop-in Hot Meals!

Just imagine serving a complete menu. Breakfast: Cinnamon Buns, Ham & Cheese Croissants, Eggs, Home fries, Bacon, Ham, Sausage... Lunch & Dinner: Gourmet Pizza, Pot Pie, chicken dishes with pre-packed sides of squash, mashed potatoes, corn, stuffed baked potato... the options are endless to maximize your real-estate. Your customers will pay a premium for hot meals at Breakfast Lunch & Dinner. Capture incremental sales by serving your existing customers again at Lunch and Dinner. The MILLROCK™ Heated counter is also your entry to Home Meal Replacement by offering complete meals to go! Or, Muffins by Morning! Simply turn off the heat & the MILLROCK Heated Doubles as an Ambient Counter Display Case in the morning for biscotti, bagels, muffins, scones, non-dairy cakes, & croissants. Small but powerful, the Millrock Heated Counter is packed with quality features usually found only in full-size showcases.

Two display surfaces maximize capacity and assure exceptional product presentation. Tempered glass surround gives customers unobstructed view to the selection. Lights on every shelf assure all products are well lit. Sliding rear doors give ample access for operators to service customers and hinged front glass makes cleaning easy to keep your case looking sharp. Durable stainless steel top surface provides additional valuable display area. The base is Stainless Steel inside and out for easy cleaning and unmatched durability. Choice of three sizes gives you additional options for store layout and capacity. Unlike full-size cases, adding impulse foodservice sales to your store is easy... just cut the MILLROCK Heated Counter into your front countertop and plug it in. Start maximizing your opportunities for Hot food sales with this unique Heated Counter case.
