THE MILLROCK MODULAR CAFÉ SYSTEM

You can design your own café! Call Millrock Customer Service (800-645-7625) for your Modular Café System. The system includes drawings and information for each café module. The categorized "menu" of modular casework makes it easy to find what you need to create your optimal café. There are casework modules for beverage equipment, display cases, point of sale operations, specialty equipment, storage, trim, and seating. The system also contains several sample floor plans. Working with an Architect? We have a complete AutoCAD Modular Café library to expedite your construction documents. We'll work with your architect free of charge to create your dream café from our modules. Compared with custom fabrication our modular system provides an average 40% savings. You'll also open weeks sooner with offsite fabrication allowing for additional sales. Have you already leased your space? Don't delay; call us today! After a brief interview to identify your needs, we'll get started with your free store layout.

Creating a store with the Modular Café System is easy. Just send us some basic information...

How To Get Started

Complete the attached order form (with \$500 deposit) and include as much of the following as possible:

- ◆ AutoCAD, blueprints, or a simple dimensioned sketch of your store.
- ◆ Your menu or a food and beverage items list
- ◆ A few photos of your store/location. (Stand in center of store and take photos in 360° circle)
- ◆ A list of required modules from our modular café system line.
